Terms of Service

Last updated: 6/18/2026

Agreement to Terms

By accessing or using StudySync, you agree to be bound by these Terms of Service. If you do not agree to these terms, please do not use our service.

Description of Service

StudySync is a student collaboration platform that helps groups manage projects, assignments, and tasks. We provide features including group management, assignment tracking, AI-powered work planning, file sharing, and optional Google Classroom integration.

Eligibility

You must be at least 13 years old to use StudySync. By using our service, you represent that you meet this age requirement and have the authority to accept these terms.

User Accounts

When you create an account, you agree to:

- Provide accurate and complete information
- Maintain the security of your password
- Accept responsibility for all activities under your account
- Notify us immediately of any unauthorized access

Google Classroom Integration

When you connect Google Classroom:

- You grant us read-only access to your courses and assignments
- We will not modify or delete any data in Google Classroom
- You can disconnect at any time from your account settings
- Your imported data will be deleted when you disconnect

Acceptable Use

You agree NOT to:

- Use the service for any illegal purpose
- Harass, abuse, or harm other users
- Upload malicious code or viruses
- Attempt to gain unauthorized access to our systems
- Share inappropriate or offensive content
- Impersonate others or misrepresent your affiliation
- Scrape or collect data from the platform without permission

User Content

You retain ownership of content you create on StudySync. By using our service, you grant us a license to store, display, and process your content to provide the service.

You are responsible for the content you share in groups. Do not share confidential, copyrighted, or inappropriate material without proper authorization.

Intellectual Property

StudySync and its original content, features, and functionality are owned by us and protected by international copyright, trademark, and other intellectual property laws.

AI Features

Our AI-powered features (work planner, task assistant, source recommendations) are provided as-is. AI suggestions should be reviewed and verified by you. We are not responsible for the accuracy or completeness of AI-generated content.

Service Availability

We strive to keep StudySync available 24/7, but we do not guarantee uninterrupted access. We may suspend or terminate the service for maintenance, updates, or other reasons without liability.

Disclaimer of Warranties

StudySync is provided "as is" without warranties of any kind, either express or implied. We do not warrant that the service will be error-free, secure, or meet your specific requirements.

Limitation of Liability

To the maximum extent permitted by law, we shall not be liable for any indirect, incidental, special, or consequential damages arising from your use of StudySync, including lost data, lost profits, or project failures.

Account Termination

We reserve the right to suspend or terminate your account if you violate these terms or engage in abusive behavior. You may delete your account at any time from your profile settings.

Upon termination, your access to the service will cease, and your data will be deleted according to our Privacy Policy.

Changes to Terms

We may modify these Terms of Service at any time. We will notify users of significant changes via email or through the platform. Continued use after changes constitutes acceptance of the new terms.

Governing Law

These terms are governed by and construed in accordance with applicable laws, without regard to conflict of law principles.

Contact

For questions about these Terms of Service, contact us at support@studysync.click

By using StudySync, you acknowledge that you have read, understood, and agree to be bound by these Terms of Service and our Privacy Policy.

Privacy Policy

Last updated: 6/18/2026

Introduction

StudySync ("we", "our", or "us") is committed to protecting your privacy. This Privacy Policy explains how we collect, use, and safeguard your information when you use our student collaboration platform.

Information We Collect

Account Information

When you create an account, we collect your email address, name, and password (encrypted).

Google Account Information

If you sign in with Google, we receive your name, email address, and profile picture from Google.

Google Classroom Data

When you connect Google Classroom, we access and store your courses and assignments in read-only mode. We do not modify or delete any data in Google Classroom.

Usage Data

We collect information about how you use StudySync, including groups you create, assignments you manage, and tasks you complete.

How We Use Your Information

- To provide and maintain the StudySync platform
- To enable collaboration features between group members
- To import and display your Google Classroom assignments
- To send notifications about group activities and assignments
- To improve our services and develop new features
- To communicate with you about updates and support

Google Classroom Integration

StudySync's use of information received from Google APIs will adhere to the [Google API Services User Data Policy](#), including the Limited Use requirements.

We only request read-only access to your Google Classroom courses and assignments. We do not:

- Create, modify, or delete any data in Google Classroom
- Share your Google Classroom data with third parties
- Use your data for advertising purposes
- Store more data than necessary to provide the service

Data Sharing

We do not sell your personal information. We only share data with:

- **Group Members:** Information you add to shared groups is visible to other group members
- **Service Providers:** We use Supabase for database and authentication, and Vercel for hosting
- **Legal Requirements:** When required by law or to protect our rights

Data Security

We implement industry-standard security measures including encryption, secure authentication, and Row Level Security (RLS) policies to protect your data. However, no method of transmission over the internet is 100% secure.

Your Rights

You have the right to:

- Access and download your data
- Correct inaccurate information
- Delete your account and associated data
- Disconnect Google Classroom integration at any time
- Revoke Google OAuth permissions through your Google Account settings

Data Retention

We retain your data for as long as your account is active. When you delete your account, we permanently remove your personal information within 30 days. Google Classroom data is deleted immediately when you disconnect the integration.

Children's Privacy

StudySync is intended for students 13 years and older. We do not knowingly collect information from

children under 13. If you believe we have collected information from a child under 13, please contact us immediately.

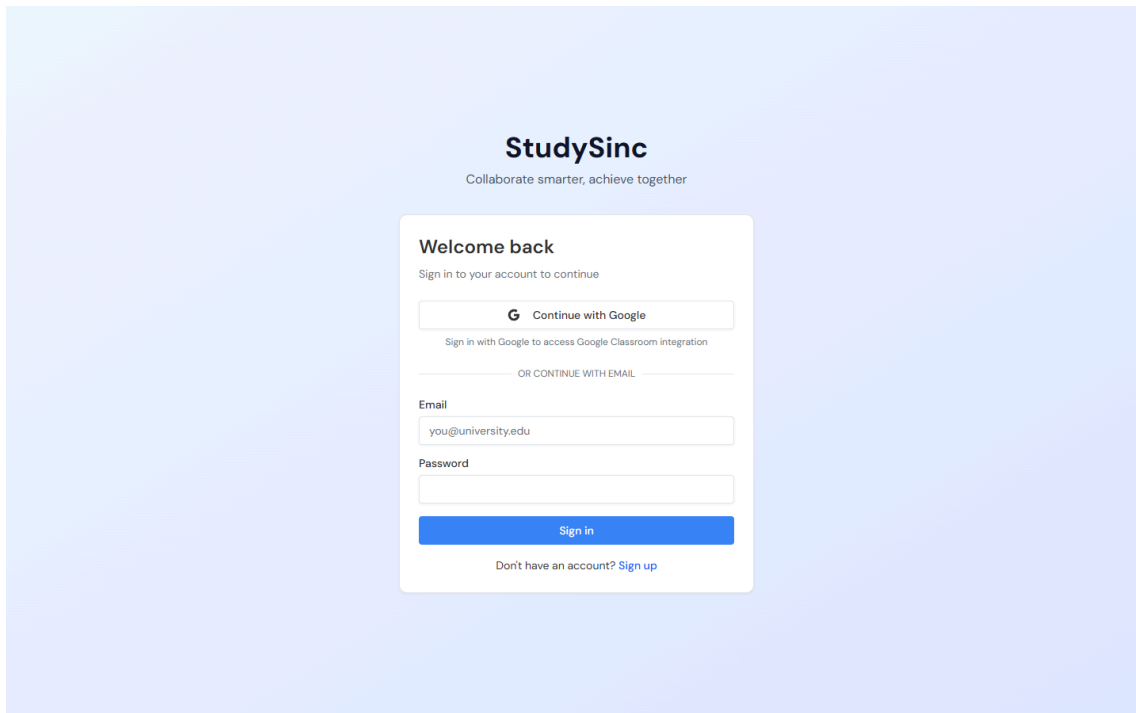

Changes to This Policy

We may update this Privacy Policy from time to time. We will notify you of significant changes by email or through a notice on our platform.

Contact Us

If you have questions about this Privacy Policy or how we handle your data, please contact us at privacy@studysync.click

06 — Dashboard (unauthenticated, redirects to login)

A mockup of a login page for StudySinc. The page has a light blue gradient background. At the top center, the 'StudySinc' logo is displayed in bold black text, with the tagline 'Collaborate smarter, achieve together' in a smaller font below it. In the center of the page is a white rectangular login card with rounded corners. Inside the card, the heading 'Welcome back' is followed by the instruction 'Sign in to your account to continue'. There are two main login options: a 'Continue with Google' button featuring the Google logo, and a section for email login. The email login section is separated by a horizontal line and the text 'OR CONTINUE WITH EMAIL'. It includes an 'Email' label, a text input field containing 'you@university.edu', a 'Password' label, and another text input field. Below these fields is a blue 'Sign in' button. At the bottom of the card, there is a link that says 'Don't have an account? Sign up'.

Task Completed!

3 members online

How It Works

Get started in minutes and transform the way your team collaborates on group projects.

Create or Join a Group

Start by creating a new group for your project or join an existing one through an invitation link.

Set Up Your Assignment

Add assignment details, upload project files,
set deadlines, and link to your work
documents.

Plan with AI or Manually

Let AI analyze your files and create a smart
work plan, or build your task list manually.

Collaborate & Complete

Chat in real-time, track progress, share
resources, and complete tasks together
efficiently.

Notes

- Pages 10-13 (Tasks, Groups, Calendar, Notifications unauthenticated) all redirect to `/auth/login` and therefore look identical to screenshot 06 .
- Dark-mode screenshots of public pages are not included because the site does not respond to `prefers-color-scheme` and has no public theme toggle.
